Tracing

Hello, Little Explorer!

This book was made just for you!

My First Brain Book

Welcome to your very first brain book! Every page has fun activities to make your clever brain even stronger. You will learn shapes, colours, numbers, patterns, and so much more!

A note for parents:

Sit with your child and enjoy each activity together. Let your child point, colour, and trace freely — there are no wrong answers! Praise every attempt — confidence builds the brain.

Shapes • Colours • Numbers • Patterns • Tracing

■ Chapters	■ Skills
My Shapes	Visual recognition
My Colours	Colour identification
My Numbers	Counting, 1 to 10
My Patterns	Pattern recognition
My Matching	Association & logic

My Shapes

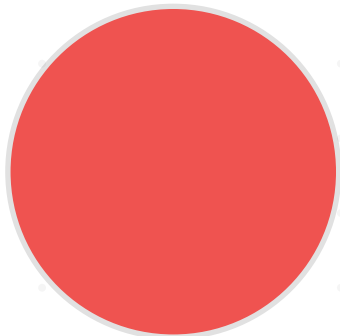

Learn circle, square, triangle and more!

1

Name That Shape!

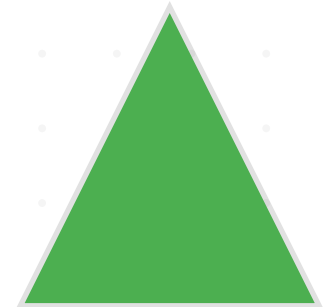

Point to each shape. Say its name out loud!

CIRCLE

SQUARE

TRIANGLE

STAR

HEART

OVAL

2

Match the Shapes!

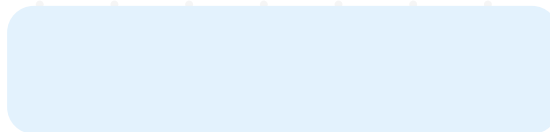

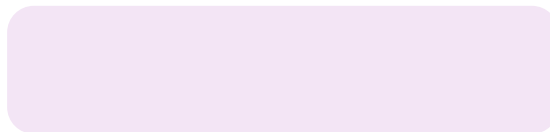

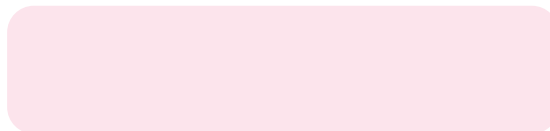

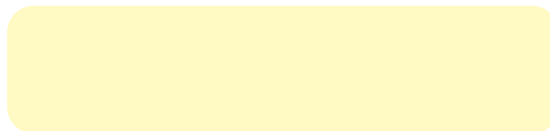

Draw a line to match each shape with its name!

● Circle

■ Square

▲ Triangle

★ Star

I know my shapes! Give me a sticker!

My Colours

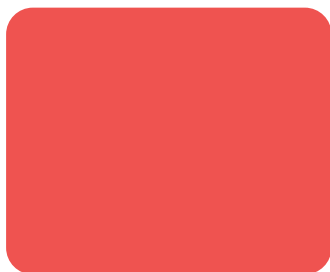

The world is full of beautiful colours!

3

My Colour World!

Point to each colour box. Say its name!

RED

ORANGE

YELLOW

GREEN

BLUE

PURPLE

PINK

TEAL

4

Colour Questions!

Read each question. Say the answer out loud with a parent!

What colour is the sun?	YELLOW ■
What colour is grass?	GREEN ■
What colour is the sky?	BLUE ■
What colour is a tomato?	RED ■
What colour is a banana?	YELLOW ■
What colour is a grape?	PURPLE ■

Draw a big RED circle and a big BLUE square here!

I know my colours! Give me a sticker!

I can count to 10! Give me a sticker!

Chapter 4

My Patterns

Find what comes next!

A pattern repeats again and again. Look carefully — what shape or colour should come next? Circle or draw your answer!

7

Complete the Pattern!

Look at each row. What comes in the ? box? Point to your answer!

8

Colour the Pattern!

These shapes follow a colour pattern: RED, BLUE, RED, BLUE... Colour the empty boxes to continue the pattern!

Draw and colour the pattern here!

I can find patterns! Give me a sticker!

Chapter 5

My Tracing

Make your fingers strong and clever!

Tracing helps your hand learn how to write! When you trace a letter or shape, your brain and fingers work together as a team.

9

Trace the Letters!

Trace each big letter. First with your finger, then your pencil!

My First Brain Book

Tiny Explorers Series | Age 2–4

Date: _____

About This Book

My First Brain Book is specially designed for toddlers aged 2 to 4 years to develop their cognitive skills through fun, colourful activities.

Inside your child will:

- ★ Learn shapes and colours
- ★ Count numbers 1 to 10
- ★ Spot and complete patterns
- ★ Practise tracing and drawing
- ★ Match and sort objects

Every page is designed to be done together with a parent or caregiver — making learning a joyful and bonding experience.

Also in the Brain Development Series:

- ◆ Think Smart Activity Book (Age 5–7)
- ◆ Brain Challenge Workbook (Age 8–10)
